

**The Mountain Community School  
Middle School Science/Social Studies Teacher Vacancy  
2020/2021 School Year**

The Mountain Community School, in Hendersonville, NC is currently accepting applications for a Middle School Science/Social Studies teacher for the 2020/2021 school year.

**School Environment**

TMCS is a K-8 Public Charter School with a student centered approach and a focus on small school and small class size, rich curriculum (*Learning Through Expeditions*), strong parental involvement and year round education.

Our 70 student middle school (grades 6-8) is served by 3 core classroom teachers, and two exceptional children service support in an inclusion model. Our core classroom teachers are responsible for all classroom experiences for our students including technology, enrichment and exploratory classes.

We operate on a year-round, 9/2 calendar (9 weeks on followed by 2 weeks off between quarters).

We value creativity and innovation and providing students with innovative opportunities to take projects beyond the classroom.

We value outdoor education and look to integrate outdoor activities into the curriculum.

**Responsibilities**

6-8 Language Science Teacher  
7<sup>th</sup> Grade Social Studies Classroom Teacher  
Development and delivery of Exploratory/Enrichment courses to expand Middle School Experience

Responsible for continual curriculum development, improvement and integration – Science, Social Studies

**Roles**

Middle School Science Lead Teacher  
Middle School 7<sup>th</sup> Grade Social Studies Lead Teacher  
Working very closely with 5 person Middle School Team

**Preferred Attributes**

Candidate must be highly qualified in 6-8 Science and Social Studies. A North Carolina Teaching Certificate in Middle School Science and Social Studies is preferred. Certified in technology and/or foreign language is a plus

Flexible and creative with strong willingness to work closely with middle school team and to help develop and implement cooperative projects across subjects and grade levels

Working knowledge of the Expeditionary Learning Model

Strong understanding of and ability to implement differentiated instruction strategies within inclusion classroom

Strong and effective communicator on all levels

Interest in educational innovation and using creativity to maximize our student's educational experience with a focus on individualized education

Willingness to coach/coordinate/develop extracurricular activities

***The Mountain Community School is an established public charter school in its 22<sup>nd</sup> year of operation. We are a K through 8 elementary school with an enrollment of approximately 200 students. We are located in Hendersonville, NC. Hendersonville is approximately 22 miles south of Asheville, North Carolina nestled in the beautiful Blue Ridge Mountains***

TMCS is an EOE
