

Math Teacher
The Mountain Community School
Hendersonville, NC

About Our School

For twenty-five years, The Mountain Community School (TMCS) has been delivering on its promise to offer a public school choice centered on innovative, experiential learning; small class sizes; a commitment to academic excellence; and meaningful parental involvement.

About the Position(s)

TMCS is seeking an instructor who excels in creating engaging and effective math lessons for students in grades K-6 or 6-8 with an emphasis on fostering a positive learning environment and building upon the school's rich tradition of effective, engaging, relevant, and creative teaching. Ideal candidates will demonstrate a commitment to teamwork, teacher leadership, and experiential and cooperative learning.

Job Responsibilities

- Design and deliver rigorous math lessons aligned to state standards
- Plan differentiated and scaffolded instruction to support diverse learning styles and individual student needs
- Assess, remediate and enrich student understanding with appropriate learning measures and strategies
- Collaborate and communicate with students, teammates, parents and caregivers
- Contribute to a positive and supportive school environment that fosters student curiosity and creative thinking

Preferred Characteristics and Background:

- Bachelor's degree in Mathematics or related field
- North Carolina teaching license or eligibility
- Elementary and/or middle school teaching experience
- A comprehensive understanding of pedagogy and student learning characteristics
- Excellent communication and interpersonal skills.
- Ability to create a positive and inclusive classroom environment.

To Apply

Interested candidates are encouraged to send a resume, cover letter, and contact information to Matt Gruebmeier, School Principal (Interim) at mgruebmeier@mytcms.org.
